

21st Wellington Masters Classic Cross-Country Relay

Trentham Memorial Park, Upper Hutt, Sunday 14th May 2006

The conditions were not the best this year with bands of rain sweeping in, adding to the slippery, muddy conditions underfoot. Numbers were down this year - only 12 teams: a busy weekend with competing events - HVHS Bridge 10k, mountain running championships, Scorching Duathlons and Mother's Day. Some clubs didn't show at all. Scottish teams won the women's grade, the men's open grade, and the walkers race, and were second in the men's 250+ grade. There were no entrants in the 300+ grade.

Fastest laps were contributed by Grant McLean (13:41) and Robyn Stansfield (18:20). Fastest walkers were Peter Baillie (23:11) and Lynn Broad (27:19).
