

24th Wellington Masters Classic Cross Country Relay

Trentham Memorial Park, Upper Hutt, Sunday 10th May 2009

The conditions underfoot were a bit boggy in parts having been cut up by the Kids Bike Jam held in the morning. This year only 16 teams: this was partly because of the later start time owing to a double-booking of the grounds again! Fastest laps were contributed by Peter Versey (14:45) and Janet Crawford (14:59). Fastest walkers were Peter Baillie (22:35) and Vivian Butt (31:02).

CLASSIC RELAY 2010

The Masters Classic Relay for 2010 will be held on Sunday 9th May. We have had confirmation that Wellington Masters have been granted use of Trentham Memorial Park for 2010 and the start time will be back to the normal start time of 11am. Hopefully this earlier start will attract more teams to the event.
