

25th Wellington Masters Johnsonville Road Race

Annual 8km Road Race & 6.4km Walk

Olympic Harrier Clubrooms, Johnsonville, Sunday, 26 July 2009

Fastest male walker over the hilly four-lap course (6.4km) was Peter Baillie (Scottish) followed home by Philip Grimmett (Scottish) and on the women's side was Terri Grimmett (Scottish) followed home by Gilda Chance (Wellington).

Fastest runner over the five-lap (8km) course was Grant McLean (Scottish), chased home by Ian Dent (Wellington). The first two women's places were held by Janet Crawford (Trentham United) and Jane Heather-Sclater (Scottish).

The year's team prize for a mixed team was Scottish with 39 points: (Grant McLean, Glen Wallis, Jane Heather-Sclater and Warren Sutherland). Second was Trentham with 45 points: (Paul Homan, Janet Crawford, David Hood and Diane Rogers). Olympic was third with 51 points (Juan McDonald, Rob McCrudden, Michelle Van Looy and Tineke Hooft). The fourth team to take part was the Ruamahanga Ramblers who ventured over the hill from Carterton.

Find weather was present with a light cool northerly breeze to contend with. Twenty-seven runners and eleven walkers took part in this, the 25th running of the event, organised by Brian Watson. Once again the host club Olympic put on the usual light but very tasty lunch.
