

30th Wellington Masters Classic Cross Country Relay

Trentham Memorial Park, Upper Hutt, Sunday 24th May, 2015

Once again a fine day out in Trentham with firm running conditions underfoot for the running of this event.

This year 18 teams (12 running and 6 walking) took part - the most teams since 2007 where 18 teams also took part.

Fastest laps for the runners were Michael Wray (Scottish) 14:28 and Michelle van Looy (Olympic) 16:58. Fastest walkers were Peter Baillie (Scottish) 24:01 and Jackie Wilson (Trentham) - 28:05.

A big thank you to those members and non-members who acted as marshals on the day and to Trentham United Harriers for setting out the course and for manning the barbecue - much appreciated.
