

27th Wellington Masters Classic Cross Country Relay

Trentham Memorial Park, Upper Hutt, Sunday 6th May 2011

The weather conditions were ideal for this race with clear skies and no wind however it was a little damp under foot for the first runners and walkers from heavy overnight dew.

This year 16 teams (seven running and nine walking) - two more than last year - took part. This year there were entries in all grades compared to last year where a couple of grades weren't contested.

Fastest laps for the runners were Michael Wray (13:14) and Janet Pitman (16:45). Fastest walkers were Peter Baillie (23:22) and Terri Grimmett (25:50).
