

WELLINGTON MASTERS ATHLETICS

36th Annual 8km Road Race and 6.4km Race Walk

Sunday 2nd August 2020

With the demise of the Olympic Harrier Clubrooms race headquarters this year was at the Johnsonville Bowling Club which was about 1km from the start.

The weather conditions for this year's event were perfect – no wind, sunny with cool temperatures. This year 20 runners and 13 walkers took part.

Fastest male walker over the hilly four-lap course was Sean Lake (Scottish) and Jackie Wilson (Trentham) was the fastest women.

Fastest male runner over the five-lap course was Paul Hewitson (WHAC) and Katie Jenkins (Olympic) was the fastest woman.

The Jim Lockhart and Mariette Hewitson Baton for the time closest to an age group record was won by Katie Jenkins.

The club team for the runners was won by Scottish and Scottish also won the club team for the walkers.

A special thanks to the marshals and timekeepers and to those members who provided food for the morning tea – as always, your support is very much appreciated.
