

38th Wellington Masters Classic Cross Country Relay

Trentham Memorial Park, Upper Hutt

Sunday 19th May 2024

For this year's event there was no wind, it was sunny, and the course was firm - not like the past two years where it was wet and very slippery.

This year 23 teams took part with 19 running and 4 walking teams.

Fastest laps for the runners were Chester Holt-Quick (Scottish) 14:58, and Hannah Buglass-Devereux (Kapiti) 18:47.

Fastest walkers were Clive McGovern (Trentham) 27:13 and Terri Grimmett (Scottish) 29:36.

A big thank you to the timekeepers and to Trentham United Harriers for setting out the course, the use of their clubrooms and supplying the food and drinks available on the day.
